

Executive Coach

Azhar Syed

Dallas, Texas

Azhar Syed is an accomplished Executive Leadership Coach with over 30 years of global corporate experience. As a seasoned leader with senior roles such as CFO, CPO, CEO, and board member for multinational companies, Azhar brings a wealth of expertise to his coaching practice.

Azhar's extensive travels to over 100 countries have given him a deep appreciation for inclusive leadership and the power of diverse perspectives. He has honed his skills in engaging diverse teams, driving profitable growth, and leading transformative change initiatives - invaluable expertise for today's business leaders.

Azhar's holistic, personalized coaching approach goes beyond just business acumen. He focuses on leveraging his clients' unique strengths, fostering resilience, and guiding them toward personal and professional growth. Azhar's passion for developing leaders and his commitment to continuous learning make him a trusted advisor for executives seeking to take their leadership to the next level.

What clients say about Azhar

"I can't thank Azhar enough. I followed the action plan we developed together, which led to my promotion to vice president. His guidance was crucial, especially when I had doubts. His coaching not only kept me focused but also delivered proven results. I'm immensely grateful – he is THE BEST executive coach!" Vice President, Consumer Goods
