

Executive Coach

Damian G. Zikakis

Holland, Michigan

Damian is a dedicated and highly experienced professional committed to helping leaders attain both professional success and personal satisfaction. With a rich background that spans over two decades, Damian initially established himself as a finance executive before transitioning into a coaching role. His unique blend of financial expertise, coupled with over twenty years as an executive recruiter, career coach, and executive coach, equips him with a comprehensive perspective on career advancement.

One of Damian's key principles is to foster greater self-awareness among his clients, enabling them to swiftly make behavioral changes in pursuit of their goals. What distinguishes Damian is his ability to approach even the most challenging situations with lightheartedness and compassion, fostering a supportive and motivating coaching environment.

Damian's early career in accounting and finance, including roles as a CFO and CPA, adds depth to his financial acumen, which proves invaluable for clients navigating the financial aspects of their careers. Furthermore, his tenure as an executive search consultant, where he interviewed countless senior-level candidates, provides unique insights into the qualities and strategies that successful executives employ in advancing their careers. Damian is a well-rounded and empathetic coach, making him a sought-after resource for individuals seeking holistic guidance in achieving their professional and personal aspirations.

Education & Certifications

- Bachelor of Business Administration, University of Michigan
- Gallup Certified CliftonStrengths Coach

What clients say about Damian

"Damian was amazing. From the initial assessments and 360 feedback all the way through the journey, he continuously framed up our discussion in a way that challenged me. He pushed my thinking and challenged me to consider a different way to think about things. I very much looked forward to my coaching throughout the process!" CFO, Health & Wellness Organization
